INTRODUCTION

Arora Timber Corporation was formed by SH. GOPAL KRISHAN ARORA in the year of 1986 in the heart of Delhi with the mission to supply timber, plywood and high-end interior products to various builders, furniture manufacturers and wholesale of timber to various retailers. We at ATC always give priority to customer relation and their satisfaction. Initially ATC started its journey by wholesale of Assam made plywood and block board to the various retailers of different states of INDIA. ATC is one of the largest suppliers of best quality timber in different commercial and residential projects.

*Reputed Architects & Designers
are proudly associated with us*

OUR WORK

We have specialized and highly mechanized unit that will custom cut timber and logs according to the demand. Our structured supply chain mechanism allows safe and timely delivery of order. At ATC, we implement stringent quality control procedures at all levels of supply and demand. This is what eventually lends us innate professionalism and we are proud to call ourselves complete professionals. Arora Timber Corporation (ATC) is privately held wood and wood-based product supplier located in Delhi INDIA, offering some of the best and refined woods and related products to developer, original equipment manufacturers (OEM's) interior designers, architects as well as household. Over the years of extended appearance, we have take the lead and emerged as plywood dealer, specially burma teak supplier, offering quality timber, plywood, laminates, veneers, doors and MDF etc. We are recognized as a complete wood shop.

*We are also associated with
OEM's & Furniture Manufacturers*
